Mr. & Mrs. Todd Kreissler
542 Hillside Avenue
Glen Ellyn, IL 60137

Dear Mr. and Mrs. Kreissler:

It was a great pleasure to meet with you and to hear of your interest in establishing a fund to help patients in need of special assistance here at Central DuPage Hospital. Thank you for your interest, effort and leadership in recognizing this need and seeking a solution.

Once established, the *Cancer and Critical Care Treatment Assistance Fund* could be tremendously important in helping patients receive or continue medical care they might not have been able to afford otherwise.

Upon receipt of the first dollars earmarked for this fund, the Central DuPage Health Foundation will be pleased to establish a restricted fund in this name and for this purpose as well as the necessary internal processes to fulfill the intended purpose.

If you have any questions or if there is anything else I can do to be of assistance, please let me know!

Thank you again.

Sincerely,

Kurt Wolbrink
Manager, major and Planned Giving
